## ABOUT STREAT

**STREAT is one of Australia's leading hospitality and food systems social enterprise.** We run eight cafés, a coffee roastery, an artisan bakery and a catering & functions business and in 2022 we started to train young people in horticulture - urban farming and gardening. The only reason we exist is to help marginalised young people who really need a hand.

In the past decade we've supported over 3000 young people **whilst gaining over 241,226 hours (that's over 40 years!) of life-skills support, hospitality and horticulture training and work experience.**

*Here's the help we provide:*

**BELONGING** — social and creative activities, the chance to make new friends.

**HEALTHY SELF** — wrap-around support including individual case management, linkages to specialist services (drug and alcohol, mental health housing services), group life skills programs.

**HEALTHY JOB** — a range of vocational training programs (accredited courses, work experience programs, short courses), workplace training and mentoring across STREAT's cafes, kitchen and bakery.

**HEALTHY HOME** — ensuring all youth have safe and secure housing (housing services).

*"You've given me hope, a future and a solid job – you believed in me before I believed in myself" - STREAT trainee.*
