STREAT

ABOUT STREAT

STREAT is one of Australia's leading hospitality and food systems social enterprise. We run eight cafés, a coffee roastery, an artisan bakery and a catering & functions business and in 2022 we started to train young people in horticulture - urban farming and gardening. The only reason we exist is to help marginalised young people who really need a hand.

In the past decade we've supported over 3000 young people **whilst gaining over 241,226 hours (that's over 40 years!) of life-skills support, hospitality and horticulture training and work experience.**

Here's the help we provide:

BELONGING — social and creative activities, the chance to make new friends.

HEALTHY SELF — wrap-around support including individual case management, linkages to specialist services (drug and alcohol, mental health housing services), group life skills programs.

HEALTHY JOB — a range of vocational training programs (accredited courses, work experience programs, short courses), workplace training and mentoring across STREAT's cafes, kitchen and bakery.

HEALTHY HOME — ensuring all youth have safe and secure housing (housing services).

WE'D LOVE YOUR HELP
